Principal's Message

I'd like to welcome you to Alvin Elementary School's Annual School Accountability Report Card. Parents will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities. Alvin Elementary School provides a warm, stimulating environment where students are actively involved in learning academics as well as positive values. Students receive a standards-based, challenging curriculum by dedicated professional staff and based on the individual needs of the students. Ongoing evaluation of student progress and achievement helps us refine the instructional program so students can achieve academic proficiency.

At Alvin School, we put a high degree of emphasis on preparing students for college. In 2016 we were recognized as a California Gold Ribbon School for our model program, "College Starts Here: On the Path to College and Career Readiness." We have made a commitment to provide the best educational program possible for Alvin Elementary School's students, and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students will be challenged to reach their maximum potential.

Mission Statement

Our mission is to ensure that every child will have a safe and nurturing environment that prepares all students for success in college and in life.

School Profile

Alvin Elementary School is located in Santa Maria and serves students in transitional kindergarten through sixth grade following a modified year-round calendar. At the beginning of the 2015-16 school year, 1011 students were enrolled, including 4.8% in special education, 75.2% qualifying for English Language Learner support, and 94.5% qualifying for free or reduced price lunch.

Physical Fitness

In the spring of each year, Alvin Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart provided in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2015-16			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Fifth	20.4%	16.4%	5.9%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Federal Intervention Program

The passage of the Every Student Succeeds Act (ESSA), reauthorizing the Elementary and Secondary Education Act (ESEA) in December 2015, is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2015-16, Alvin Elementary School qualified for Schoolwide Title I funding and is subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. Most of the new provisions under ESSA do not take effect until the

2017-18 school year making 2016-17 a transition year. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

California Assessment of Student Performance and Progress

California Assessment of Student Performance and Progress (CAASPP) Tests assess student performance in Science in grades five, eight and ten, and English language arts/literacy and Mathematics in grades 3 through 8 and 11 utilizing computer-adaptive tests and performance tasks. This system is based on the California State Standards and is part of the Smarter Balanced Assessment System.

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable grade level and subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/cal/.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Level 1 = Standard not met; Level 2 = Standard nearly met; Level 3 = Standard met; Level 4 = Standard exceeded

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning – State Priority 1: Covered in Teacher Assignment, including the Teacher Credentials & Misassignments & NCLB Compliance charts; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Parental Involvement – State Priority 3: Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

School Climate – State Priority 6: Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Other Pupil Outcomes – State Priority 8: Covered in Physical Fitness, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or attending school events.

Parents stay informed on upcoming events and school activities through Parent Square (automated telephone message delivery system), flyers, parent conferences, the school marquee, and parent education nights. Contact Principal Ann McDaniel at (805) 361-6760 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Alvin Elementary School's original facilities were built in 1946; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Upgrade fire alarm system (2015-16)
- Replace flooring and tables in the cafeteria (2015-16)
- Resurface playground (2015-16)
- Replace and fill in play area with bark (2015-16)
- Repaint exterior of school campus (2015-16)
- Installation of new kitchen hood
- Installation of new intercom system
- Addition of two portable classrooms (2016-17)
- Redesign parking lot (2016-17)

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Alvin Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- General grounds maintenance
- General maintenance
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Special event setup/cleanup

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Deferred Maintenance

Alvin Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2015-16 school year, Santa Maria-Bonita School District allocated \$21,626 of deferred maintenance funds for flooring repairs at Alvin Elementary School.

Facilities Inspection

The district's maintenance department inspects Alvin Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Alvin Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Thursday, October 27, 2016. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2015-16, all restrooms were fully functional and available for student use.

Rating Description

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators, campus supervisors, and classified personnel are strategically assigned to designated entrance areas and the playground. During recess, administrators and campus supervisors monitor playground activity. Administrators and yard duty supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, administrators, teachers, and classified personnel monitor student behavior to ensure a safe and orderly departure.

Alvin Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Alvin Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed by school staff and updated in Spring 2016. Staff responsibilities and safety plan updates were discussed with staff in August 2016.

Classroom Environment

Discipline & Climate for Learning

Alvin Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline is employed in the classroom for those students experiencing difficulty following school rules, and proactive

measures are utilized for those demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Alvin Elementary School revolve around the California State Standards. During the 2015-16 school year, Alvin Elementary School held staff development training devoted to:

- Professional Learning Communities
- Collaboration by Grade Level
- Collaboration by Language Arts Level
- ELD Instruction
- California State Standards
- Whole Brain Teaching
- Technology Training
- Academic Vocabulary
- Mathematics
- Close Reading
- Student Engagement

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Alvin Elementary School supports ongoing professional growth throughout the year on early release days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow up training for newly implemented programs/curricula.

During the 2015-16 school year, Alvin Elementary School's teachers attended the following workshops or events hosted by the Santa Maria-Bonita School District:

- California State Standards
- Technology Training
- ELA/ELD Framework
- Building Student Engagement
- Academic Vocabulary
- Writing
- Assessment
- Go Math! Beyond the Basics

Alvin Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Alvin Elementary School are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, September 14, 2016, the Santa Maria-Bonita School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution 16-05 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the

curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2016-17 school year, Santa Maria-Bonita School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Specialized Instruction

All curriculum and instruction are being aligned to the California State Standards approved by the State Board of Education. The instructional program is structured so that all students receive instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

Students with special gifts and talents need more challenging curriculum and instruction. The Gifted and Talented Education (GATE) program is offered to students in grades 3 through 6 who have been identified as academically gifted through district-administered assessments. Instruction is provided by teachers who are GATE Certified.

For students whose primary language is not English and who have limited English proficiency, Alvin Elementary School offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. English learners are clustered in the classroom by language fluency level to receive differentiated instruction from a classroom teacher. Instruction focuses on reinforcement of class lessons, reading intervention, and targeted support in areas of need. All students receive English Language Development instruction as a supplement to their regular language arts instruction. ELD instruction is provided through a team-teaching approach. For designated time periods, students regroup based on language fluency to receive targeted instruction at their proficiency level. Alvin Elementary School's teachers utilize EL Achieve series, a state-approved reading intervention program and textbook adoption. Alvin Elementary School monitors progress of English Learners on a regular basis and adjusts instruction to meet the current individual learning levels. English learners are assessed annually using the CELDT exam (California English Language Development Test); results are used to evaluate student progress, intervention programs, and teaching strategies.

Alvin Elementary School's special education program is staffed by Resource Specialist Program Teachers. Instruction is provided in the least restrictive environment and based on each student's Individual Education Plan (IEP). Students have access to a comprehensive curriculum and are mainstreamed into the general education class with small group and individualized instruction in the resource room. The IEP team, one Resource Teacher and one aide, meets annually to establish goals and objectives, define academic instruction, evaluate the effectiveness of the student's plan, and make instructional adjustments as necessary. Alvin Elementary School takes advantage of the district's

participation in the Santa Barbara Special Education Local Plan Area, which provides a pool of professional resources and expertise in the field of special education.

Alvin Elementary School provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using district benchmark assessments and end-of-unit exams, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Study Team pulls together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance. Intervention strategies include:

- ASES (After School Education & Safety Program)
- Intervention Teacher - two teachers
- Teacher Tutoring
- Extended Day Programs
- Lunch Time Math and/or English Language Arts Intervention

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on district benchmark assessments, daily classwork, homework, and end-of-unit tests to measure ongoing academic progress and adjust instructional needs.

Professional Staff

Counseling & Support Staff

Alvin Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Alvin Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2015-16		
	No. of Staff	FTE
Academic Counselor	0	0
Speech Therapists	2	0.7
Computer Lab Technician	1	1.0
Health Assistant	1	1.0
Library Media Technician	1	1.0
Nurse	1	0.2
Outreach Consultant	1	1.0
Psychologist	1	0.2

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Expenditures Per Student

For the 2014-15 school year, Santa Maria-Bonita School District spent an average of \$9,101 of total general funds to educate each student (based on 2014-15 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Santa Maria-Bonita School District receives state and federal categorical funding for special programs. For the 2014-15 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Ongoing and Major Maintenance Account
- Other Local: Locally defined

- Quality Education Investment Act
- Special Education
- State Lottery
