Principal's Message

I'd like to welcome you to Rice Elementary School's Annual School Accountability Report Card. Parents will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and conditions of facilities.

Rice Elementary School provides a warm, stimulating environment where students are actively involved in learning academics as well as positive values. Students receive a standards-based, challenging curriculum by dedicated professional staff based on the individual needs of the students. Ongoing evaluation of student progress and achievement helps us refine the instructional program so students can achieve academic proficiency.

We have made a commitment to provide the best educational program possible for Rice Elementary School's students, and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students will be challenged to reach their maximum potential.

Mission Statement

Our mission is to ensure that all students learn by creating a community that focuses on student learning, by working collaboratively and holding ourselves accountable for results.

School Profile

Rice Elementary School is located in the northern region of Santa Maria and serves students in transitional kindergarten through sixth grade following a modified year-round calendar. At the beginning of the 2015-16 school year, 922 students were enrolled, including 6.8% in special education, 56.8% qualifying for English Language Learner support, and 90% qualifying for free or reduced price lunch.

Student Enrollment by Ethnicity / Grade Level 2015-16			
Ethnic Group	%	Grade Level	#
African-Amer.	1.00%	Transitional Kindergarten	37
Amer. Indian or Alaskan Native	0.70%	Kindergarten	129
Asian	0.10%	Grade 1	127
Filipino	1.80%	Grade 2	116
Hisp. or Latino	91.80%	Grade 3	134
Pacific Islander	0.00%	Grade 4	112
Caucasian	3.70%	Grade 5	130
Multi-Racial	0.90%	Grade 6	137
Students with Disabilities	6.80%	Ungraded	0
Economically Disadvantaged	90.00%		
English Learners	56.80%		
Foster Youth	1.00%		
Total Enrollment			922

Student Achievement

Physical Fitness

In the spring of each year, Rice Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart provided in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2015-16			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Fifth	24.4%	26%	13.8%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Federal Intervention Program

The passage of the Every Student Succeeds Act (ESSA), reauthorizing the Elementary and Secondary Education Act (ESEA) in December 2015, is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2015-16, Rice Elementary School qualified for Schoolwide Title I funding and is subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. Most of the new provisions under ESSA do not take effect until the 2017-18 school year making 2016-17 a transition year. More information about Title I and Program Improvement can be located on the CDE's website www.cde.ca.gov/ta/ac/ti/.

Title I Program Improvement (PI) Status 2016-17

	RES	SMBSD
PI Status	In PI	In PI

Note: Cells with N/A values do not require data.

California Assessment of Student Performance and Progress

California Assessment of Student Performance and Progress (CAASPP) Tests assess student performance in Science in grades five, eight and ten, and English language arts/literacy and Mathematics in grades 3 through 8 and 11 utilizing computer-adaptive tests and performance tasks. This system is based on the California State Standards and is part of the Smarter Balanced Assessment System.

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable grade level and subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students						
	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	Rice Elementary School		District		California	
	14-15	15-16	14-15	15-16	14-15	15-16
English-Language Arts/Literacy (grades 3-8 and 11)	22	28	23	27	44	48
Mathematics (grades 3-8 and 11)	16	22	17	19	33	36

Note: Students in grades 3-8 and 11 are given this test. Percentages are not calculated when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (--) appear in the table when the number of students tested is ten or less.

Foster Youth	--	--	--	--

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

Level 1 = Standard not met; Level 2 = Standard nearly met; Level 3 = Standard met; Level 4 = Standard exceeded

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC

address some of the priorities identified in the District's LCAP:

Conditions of Learning – State Priority 1: Covered in Teacher Assignment, including the Teacher Credentials & Misassignments & NCLB Compliance charts; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Parental Involvement – State Priority 3: Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

School Climate – State Priority 6: Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Other Pupil Outcomes – State Priority 8: Covered in Physical Fitness, including the Physical Fitness Test chart.

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or attending school events.

Parents stay informed on upcoming events and school activities through Parent Square (automated telephone message delivery system), school newsletters, the school marquee, and the school website. Contact the school office at (805) 361-7740 for more information on how to become involved in your child's learning environment.

Parent Nutrition Classes
Parent Teacher Conferences

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Rice Elementary School's original facilities were built in 1960; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been made:

- Replacement of classroom carpet was completed
- Addition of one new portable classroom

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening

custodians are assigned to Rice Elementary School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- Restroom cleaning
- General Maintenance

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning
- Safety and security of campus

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description

Staff Lounge	1
State Preschool	1

Deferred Maintenance

Rice Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2015-16 school year, Santa Maria-Bonita School District allocated \$5,620 of deferred maintenance funds for flooring systems at Rice Elementary School.

Facilities Inspection

The district's maintenance department inspects Rice Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Rice Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Monday, October 24, 2016. No emergency repairs were needed and no unsafe conditions were found. During fiscal year 2015-16, all restrooms were fully functional and available for student use.

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
✓			

Rating Description

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, campus supervisors are strategically assigned to designated entrance areas and the playground. During recess, administrators and campus supervisors monitor playground activity. Noon duty aides monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, the principal, assistant principals, and teachers monitor student behavior to ensure a safe and orderly departure.

Rice Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Rice Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in August 2016.

Classroom Environment

Discipline & Climate for Learning

Rice Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline is employed in the classroom for those students experiencing difficulty following school rules, and proactive measures are utilized for those demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

*Number of classes indicates how many classes fall into each size category (a range of total students per classroom).

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Rice Elementary School revolve around the California State Standards. During the 2015-16 school year, Rice Elementary School held staff development training devoted to:

- California State Standards
- Response to Intervention
- Professional Learning Communities
- Technology Training
- GATE Training
- AVID Training
- English Language Development
- Academic Vocabulary

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Rice Elementary School supports ongoing professional growth throughout the year on early release days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow up training for newly implemented programs/curricula.

During the 2015-16 school year, Rice Elementary School's teachers attended the following workshops or events hosted by the Santa Maria-Bonita School District:

- California State Standards
- Technology Training
- ELA/ELD Framework
- Building Student Engagement
- Academic Vocabulary
- Writing
- Assessment
- Go Math! Beyond the Basics

Rice Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Rice Elementary School are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, September 14, 2016, the Santa Maria-Bonita School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution 16-05 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2016-17 school year, Santa Maria-Bonita School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Specialized Instruction

All curriculum and instruction are being aligned to the California State Standards approved by the State Board of Education. The instructional program is structured so that all students receive instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

Students with special gifts and talents need more challenging curriculum and instruction. The Gifted and Talented Education (GATE) program is offered to students in grades 3 through 6 who have been identified as academically gifted through district-administered assessments. Students are clustered by grade level to receive differentiated instruction. Instruction is provided by teachers who are GATE Trained.

For students whose primary language is not English and who have limited English proficiency, Rice Elementary School offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. English learners work with bilingual aides in a small group and/or individualized setting outside the general education classroom. Instruction focuses on reinforcement of class lessons, frontloading of upcoming lessons, and reading intervention. All students receive English Language Development instruction as a supplement to their regular language arts instruction. ELD instruction is provided through a team-teaching approach. For designated time periods, students regroup based on language fluency to receive targeted instruction at their proficiency level. Rice Elementary School's teachers utilize McMillan McGraw Hill's California Treasures series, a state-approved reading intervention program and textbook adoption. English learners are assessed annually using the CELDT exam (California English Language Development Test); results are used to evaluate student progress, intervention programs, and teaching strategies.

Rice Elementary School's special education program is staffed by designated specialists, one Special Day Class teacher, one Resource Specialist Program teacher, and instructional aides. Instruction is provided in the least restrictive environment and based on each student's Individual Education Plan (IEP). Students have access to a comprehensive curriculum and are mainstreamed into the general education class with small group and individualized instruction in the resource room. The IEP team meets annually to establish goals and objectives, define academic instruction, evaluate the effectiveness of the student's plan, and make instructional adjustments as necessary. Rice Elementary School takes advantage of the district's participation in the Santa Barbara Special Education Local Plan Area, which provides a pool of professional resources and expertise in the field of special education.

Rice Elementary School provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using district benchmark assessments and end-of-unit exams, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Success Team pulls together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance. Intervention strategies include:

- ASES (After School Education & Safety)
- Response to Intervention Program
- Imagine Learning
- Student Study Team Meetings
- Extended Day Programs

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on district benchmark assessments, daily classwork, homework, and end-of-unit tests to measure ongoing academic progress and adjust instructional needs.

Professional Staff

Counseling & Support Staff

Rice Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Rice Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2015-16		
	No. of Staff	FTE
Academic Counselor	0	0
Computer Lab Technician	1	1.0
Health Assistant	1	1.0
Library Media Technician	1	0.5
Nurse	1	0.2
Outreach Consultant	1	1.0
Psychologist	1	0.2
Speech Therapist	1	0.2

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Teacher Assignment

During the 2015-16 school year, Rice Elementary School had 32 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2015-16		
	Taught by NCLB-Compliant Teachers	Taught by non-NCLB-Compliant Teachers
Rice Elementary School	100.0 %	0.0 %
District Totals		
All Schools	100.0 %	0.0 %
High-Poverty	100.0 %	0.0 %
Low-Poverty	0.0 %	0.0 %

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40% or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39% or less in the free and reduced price meals programs.

Teacher Credentials & Assignments				
	RES			SMBSD
	14-15	15-16	16-17	16-17
Total Teachers	29	32	33	618
Teachers with full credentials	29	32	33	618
Teachers without full credentials	0	0	0	0
Teachers teaching outside subject area of competence (with full credential)	0	0	0	0
Teacher misassignments for English learners	0	0	0	0
Total teacher misassignments	0	0	0	0
Vacant teacher positions	0	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total teacher misassignments includes the number of misassignments of teachers of English learners.

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2014-15 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2014-15		
	SMBSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$43,949	\$44,573
Mid-Range Teacher Salary	\$79,592	\$72,868
Highest Teacher Salary	\$99,334	\$92,972
Superintendent Salary	\$208,989	\$201,784
Average Principal Salaries:		
Elementary School	\$121,043	\$116,229
Percentage of Budget:		
Teacher Salaries	37%	39%
Administrative Salaries	5%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Expenditures Per Student

For the 2014-15 school year, Santa Maria-Bonita School District spent an average of \$9,101 of total general funds to educate each student (based on 2014-15 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Santa Maria-Bonita School District receives state and federal categorical funding for special programs. For the 2014-15 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Ongoing and Major Maintenance Account
- Other Local: Locally defined

- Quality Education Investment Act
- Special Education
- State Lottery
- Title I
- Title II
- Title III
- Title X, McKinney-Vento Homeless Assistance

Expense of Education Per Pupil 2014-15					
	Dollars Spent per Student				
	RES	SMBSD	% Diff. School & Dist.	State Avg., Dist. Same Size & Type	% Diff. School & State
Total**	\$5,703	N/A	N/A	N/A	N/A
Restr.†	\$728	N/A	N/A	N/A	N/A
Unrestr.††	\$4,976	\$7,399	67.25	\$5,677	87.65
Avg. Teacher Salary	\$79,346	\$78,953	100.50	\$75,137	105.60

Note: Cells with N/A values do not require data.

* Average Daily Attendance

SARC Data

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Rice Elementary School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability, including but not limited to CAASPP results, enrollment, and staffing.

Public Internet Access Location

Parents may access Rice Elementary School's SARC and access the internet at any of the county's public libraries. The closest public library to Rice Elementary School is Santa Maria Public Library.

Address: 421 S. McClelland St., Santa Maria

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Santa Maria-Bonita School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials and school facilities sections were acquired in November 2016.
