## Principal's Message

Taylor Elementary School's staff is committed to implementing an intensive, balanced, standards-based curriculum to ensure each student reaches his or her maximum potential.

This annual report card to the community will share valuable information about our instructional programs, academic achievements, school facilities, as well as the school's finances compared to other schools and districts in the state.

A special emphasis is placed on providing an instructional program designed to boost student confidence and increase subject matter proficiency. Staff and parents work together to create a learning environment that has high expectations, promotes students' academic and social development, teaches responsibility and pride, and models learning as a lifelong adventure. We are excited about our school and its program and welcome all to support our efforts.

## Mission Statement

We are a united group of dedicated professionals who advocate for all students. We are here to inspire and support our students to achieve their full potential in order to become successful and contributing citizens of a global society. We are committed to building a school community of growth minded students by meeting their needs through continuous reflection and adjustment. We value and foster personal connections, collaboration, critical thinking, and perseverance. We are the Timberwolves!

## School Profile

Taylor Elementary School is located in the northern region of Santa Maria and serves students in grades transitional kindergarten through six. At the beginning of the 2016-17 school year, 937 students were enrolled, including 11.3% in special education, 45.3% qualifying for English Language Learner support, and 71.9% qualifying for free or reduced price lunch.

Student Enrollment by Ethnicity / Grade Level 2016-17			
Ethnic Group	%	Grade Level	#
African-Amer.	0.50%	Transitional Kindergarten	29
Amer. Indian or Alaskan Native	0.00%	Kindergarten	115
Asian	1.60%	Grade 1	142
Filipino	3.40%	Grade 2	120
Hisp. or Latino	85.50%	Grade 3	144
Pacific Islander	0.00%	Grade 4	128
Caucasian	8.20%	Grade 5	124
Multi-Racial	0.70%	Grade 6	135
Students with Disabilities	11.30%	Ungraded	0
Socioeconomically Disadvantaged	71.90%		
English Learners	45.30%		
Foster Youth	0.10%		
Total Enrollment			937

## Student Achievement

### Physical Fitness

In the spring of each year, Taylor Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart reported in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2016-17			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Fifth	25.6	15.7	16.5

*Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

### Federal Intervention Program

The passage of the Every Student Succeeds Act (ESSA), reauthorizing the Elementary and Secondary Education Act (ESEA) in December 2015, is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2016-17, Taylor Elementary School qualified for Schoolwide Title I funding and is subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. Most of the new provisions under ESSA do not take effect until the 2017-18 school year making 2016-17 a transition year. More information about Title I and Program Improvement can be located on the CDE's website [www.cde.ca.gov/ta/ac/ti/](http://www.cde.ca.gov/ta/ac/ti/).

Federal Intervention Program Status 2017-18		
	TES	SMBSD
Program Improvement Status	In PI	In PI
First Year of Program Improvement	2011-2012	2004-2005
Year in Program Improvement	Year 3	Year 3
No. of Schools Currently in Program Improvement		18
% of Schools Currently in Program Improvement		90.0%

*Note: Cells with N/A values do not require data.*

### California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the

administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website [www.cde.ca.gov/ta/tg/ca/](http://www.cde.ca.gov/ta/tg/ca/).

CAASPP Test Results in ELA and Mathematics - All Students						
	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	Taylor Elementary School		District		California	
	15-16	16-17	15-16	16-17	15-16	16-17
English-Language Arts/Literacy (grades 3-8 and 11)	35	32	27	28	48	48
Mathematics (grades 3-8 and 11)	24	22	19	21	36	37

*Note: Percentages are not calculated when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Double dashes (-) appear in the table when the number of students tested is ten or less.*

CAASPP Test Results in ELA by Student Group (2016-17)				
Student Groups	Total Enrollment	# Tested	% Tested	% Meeting or Exceeding State Standards
All Students	531	527	99.25	31.69
Male	281	278	98.93	28.78
Female	250	249	99.60	34.94
African-Amer.	--	--	--	--
Asian	--	--	--	--
Filipino	13	13	100.00	69.23
Hisp. or Latino	452	448	99.12	29.02
Caucasian	41	41	100.00	39.02
Multi-Racial	12	12	100.00	66.67
English Learners	305	302	99.02	28.48
Socioeconomically Disadvantaged	399	397	99.50	30.48
Students with Disabilities	61	59	96.72	1.69

CAASPP Test Results in Mathematics by Student Group (2016-17)				
Student Groups	Total Enrollment	# Tested	% Tested	% Meeting or Exceeding State Standards
All Students	531	529	99.62	22.12
Male	281	279	99.29	23.30
Female	250	250	100.00	20.80
African-Amer.	--	--	--	--
Asian	--	--	--	--
Filipino	13	13	100.00	53.85
Hisp. or Latino	452	450	99.56	18.89
Caucasian	41	41	100.00	29.27
Multi-Racial	12	12	100.00	50.00
English Learners	305	304	99.67	18.75
Socioeconomically Disadvantaged	399	398	99.75	19.85
Students with Disabilities	61	59	96.72	1.69

CAASPP Test Results in Science for All Students						
Science (grades 5, 8, and 10)	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	Taylor Elementary School		District		California	
	14-15	15-16	14-15	15-16	14-15	15-16
	26	18	30	30	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes students that did not receive a score; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using students with scores.

## Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

**Conditions of Learning (Basic Services) – State Priority 1:** Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in Teacher Assignment, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

**Conditions of Learning (Implementation of State Standards) – State Priority 2:** Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

**Parental Involvement – State Priority 3:** Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

**Pupil Achievement – State Priority 4:** Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

**Engagement (Pupil Engagement) – State Priority 5:** School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropout Rates, including the Dropout chart; and Graduation Rates, including the Graduation Rate chart for high schools only. Not covered in elementary or junior high School Accountability Report Cards.

**School Climate – State Priority 6:** Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

**Conditions of Learning (Course Access) – State Priority 7:** Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

**Other Pupil Outcomes – State Priority 8:** Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

The most recent Santa Maria-Bonita School District Local Control Accountability Plan (LCAP) can be located on the district's website at [http://www.smbds.org/district/l\\_c\\_a\\_p](http://www.smbds.org/district/l_c_a_p).

## Parent Involvement

Parents are encouraged to get involved in their student's learning environment either by volunteering in the classroom, participating in a decision-making group, or attending school events.

Parents stay informed on upcoming events and school activities through Parent Square (automated message delivery system and classroom/school level posts in English and Spanish), parent conferences, the school marquee, school newsletters, and the school website. Parents wishing to get involved at Taylor Elementary School should contact the school office at (805) 361-6250 for more information on how to become involved in your child's learning environment.

### Opportunities to Volunteer

 Parent Teacher Conferences  
 Movie Nights

### School Facilities & Maintenance

The district takes great efforts to ensure all schools are clean, safe, and functional through proper facility maintenance and campus supervision. Taylor Elementary School's original facilities were built in 2002; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Repaving of blacktop areas throughout campus
- Update front parking lot to allow drop off and pick up separate from bus lane
- New classroom wing being built (completion by 2018-19)

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Taylor Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- General grounds maintenance
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Cafeteria cleanup
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description	
Year Built	2002

Playground	1
Portable for ASES Program	1
Staff Lounge	1
Staff Work Room	1

### Deferred Maintenance

Taylor Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2016-17 school year, Taylor Elementary School received \$22,736.12 in deferred maintenance funds for the repair and/or maintenance of:

- Asphalt (playground) repair
- Restroom flooring repair

### Facilities Inspection

The district's maintenance department inspects Taylor Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Taylor Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Thursday, September 28, 2017. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2017-18, all restrooms were fully functional and available for student use at the time of the inspection.

School Facility Good Repair Status			
Most Recent Inspection: Thursday, September 28, 2017			
Item Inspected	Repair Status		
	Good	Fair	Poor
A. Systems	✓

H. External			✓

Repair Needed and Action Taken or Planned	
Section Number	Comment
(H)	Playgrounds - Gopher problem

Overall Summary of School Facility Good Repair Status			
Exemplary	Good	Fair	Poor
	✓		

**Rating Description**

Good: The school is maintained in good repair with a number of non-critical deficiencies noted. These deficiencies are isolated, and/or result from minor wear and tear, and/or are in the process of being mitigated.

**Campus Supervision**

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators and playground supervisors are strategically assigned to designated entrance areas and the playground. During recess, playground supervisors monitor playground activity. Playground supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, administrators, teachers, and playground supervisors monitor student behavior to ensure a safe and orderly departure.

Taylor Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

**School Site Safety Plan**

The Comprehensive School Site Safety Plan was developed for Taylor Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in Fall 2017.

**Classroom Environment**

**Discipline & Climate for Learning**

Taylor Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline is employed in the classroom for those students experiencing difficulty following school rules, and proactive measures are utilized for those demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	14-15	15-16	16-17
	<b>TES</b>		
% Students Suspended	2.1	2.7	4.5

% Students Suspended	5.4	4.6	3.6
% Students Expelled	0.0	0.0	0.0
	<b>California</b>		
% Students Suspended	33.0	32.5	30.7
% Students Expelled	0.1	0.1	0.1

**Class Size**

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Class Size Distribution Self-Contained Classes				
2014-15				
Grade	Avg. Class Size	Number of Classrooms		
		1-20	21-32	33+
K	26.4		5	
1	31.5		4	
2	30.3		4	
3	31.5		4	
4	31.8		2	2
5	32.8		2	2
6	30.0		3	1
2015-16				
Grade	Avg. Class Size	Number of Classrooms		
		1-20	21-32	33+
K	31.7		3	
1	27.3		4	
2	27.0		5	
3	31.8		4	
4	32.5		2	2
5	32.3		3	1
6	33.0		2	2
Other	33.0			2
2016-17				
Grade	Avg. Class Size	Number of Classrooms		
		1-20	21-32	33+
K	27.4		5	
1	25.0		5	
2	27.0		5	
3	29.3		4	
4	27.4		5	
5	29.0		4	
6	30.0		4	
Other	9.4	5		

\*Number of classes indicates how many classes fall into each size category (a range of total students per classroom).

**Curriculum & Instruction**

**Staff Development**

All training and curriculum development activities at Taylor Elementary School revolve around the California State Standards. During the 2016-17 school year, Taylor Elementary School held staff development training devoted to:

- Data Analysis
- Instructional Strategies
- Strategies for English Language Learners
- California State Standards - Math
- California State Standards - English Language Arts
- Technology for Teaching

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Taylor Elementary School supports ongoing

professional growth throughout the year on early release days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2016-17 school year, Taylor Elementary School's teachers attended the following events hosted by the Santa Maria-Bonita School District:

- Conscious Classroom Management: Bringing Out the Best in Students & Teachers
- Technology Training
- Rigorous Reading
- Improving Literacy for Young Children
- ELD Listening and Speaking
- Word Problems & Basic Operations
- Focus on English Learners
- Fractions

During the 2016-17 school year, Taylor Elementary School's teachers had the opportunity to participate in the following supplemental professional development events hosted by the Santa Maria-Bonita School District:

- OARS Training
- Language Apps for English Language Development (ELD)
- Introduction to English Language Development (ELD) Standards
- Engaging Social Studies & Science Units
- Classroom Management Strategies
- PORTS: Virtual Field Trips with CA State Parks
- Everyone Can Code
- Love & Logic Classroom
- Science, History & the Environment
- Primary Writer's Workshop
- Behavior Specialist Round Table
- Diverse Brain-Diverse Learners
- Festival of Learning
- Demystifying the Smarter Balanced
- Getting Going with SMART Notebooks
- Google Classroom & Google Docs
- CPM National Conference Table Talk
- Student-Centered Math Intervention
- Number Sense Can't be Taught, It's Caught
- Fancy Fractions
- Writer's Workshop
- Engineering is Elementary
- Compass Drawings Math Art STEAM
- Improving Students' Academic Conversations & How Achieve 3000 can Complement AR
- Introduction to SchoolCity
- Parent Square
- Imagine Learning
- Introduction to Next Generation Science Standards (NGSS)
- Rethinking what Math looks like in the 21st Century Classroom
- Math Mindset

Taylor Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

### Instructional Materials

All textbooks used in the core curriculum at Taylor Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, September 13, 2017, the Santa Maria-Bonita School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution 17-03 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2017-18 school year, Santa Maria-Bonita School District did not offer self-contained K-6 visual/performing arts classes and therefore did not require the distribution of respective textbooks and instructional materials.

### Specialized Instruction

All curriculum and instruction are being aligned to the California State Standards approved by the State Board of Education. The instructional program is structured so that all students receive instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

Students with special gifts and talents need more challenging curriculum and instruction. The Gifted and Talented Education (GATE) program is offered to students in grades 3 through 6 who have been identified as academically gifted through district-administered assessments. Students are placed in a

designated GATE class or GATE cluster for their grade level. Instruction is provided by teachers who are GATE Trained.

For students whose primary language is not English and who have limited English proficiency, Taylor Elementary School offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. English learners are clustered in the classroom by language fluency level to receive differentiated instruction from the classroom teacher. Instruction focuses on reinforcement of class lessons, reading intervention, and targeted support in areas of need. All students receive English Language Development instruction as a supplement to their regular language arts instruction. ELD instruction is provided through a team teaching approach. Taylor Elementary School's teachers utilize Benchmark for grades K-5 and Study Sync for grade 6, both state-approved textbook adoptions. English learners are assessed annually using the CELDT exam (California English Language Development Test); results are used to evaluate student progress, intervention programs, and teaching strategies.

Taylor Elementary School's special education program is staffed by five self-contained Special Day Class teachers, instructional aides, one Resource Specialist Program teacher, and a resource specialist staff. Instruction is provided in the least restrictive environment and based on each student's Individual Education Plan (IEP). Students have access to a comprehensive curriculum and are mainstreamed into the general education class with small group and individualized instruction in the resource room. The IEP team meets annually to establish goals and objectives, define academic instruction, evaluate the effectiveness of the student's plan, and make instructional adjustments as necessary. Taylor Elementary School takes advantage of the district's participation in the Santa Barbara Special Education Local Plan Area, which provides a pool of professional resources and expertise in the field of special education.

Taylor Elementary School provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using district benchmark assessments and end-of-unit exams, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. Intervention strategies include:

- ASES (After School Education & Safety)
- Imagine Learning
- Computer Instruction
- Intervention Block (K-3 & 4-6)
- Teacher Tutors & Intervention Teacher
- Mobi-Max
- Reading Mastery

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on district benchmark assessments, daily classwork, homework, and end-of-unit tests to measure ongoing academic progress and adjust instructional needs.

## Professional Staff

### Counseling & Support Staff

Taylor Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Taylor Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular

work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2016-17		
	No. of Staff	FTE
Academic Counselor	0	0
Computer Lab Technician	1	1.0
Health Assistant	1	1.0
Library Media Technician	1	1.0
Nurse	1	0.2
Outreach Consultant	1	1.0
Psychologist	1	0.2
Speech Therapist	1	1.0

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

### Teacher Assignment

During the 2016-17 school year, Taylor Elementary School had 31 teachers who met all credential requirements in accordance with state guidelines. The chart below identifies the number of teachers at both the school and district who are 1) fully credentialed; 2) without full credentials; 3) teaching outside subject area of competence; 4) misassignments for English learners; 5) total teacher misassignments; and 6) vacant teacher positions. The term "misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Teacher Credentials & Assignments				
	TES			SMBSD
	15-16	16-17	17-18	17-18
Total Teachers	30	31	32	628
Teachers with full credentials	30	31	32	628
Teachers without full credentials	0	0	0	0
Teachers teaching outside subject area of competence (with full credential)	0	0	0	1
Teacher misassignments for English learners	0	0	0	0
Total teacher misassignments	0	0	0	0
Vacant teacher positions	0	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

\*Total teacher misassignments includes the number of misassignments of teachers of English learners.

## District Expenditures

### Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2015-16 salary comparison data was the most recent data available at the time this report was published.)

Teacher and Administrative Salaries 2015-16		
	SMBSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$49,524	\$48,678
Mid-Range Teacher Salary	\$83,821	\$78,254
Highest Teacher Salary	\$104,611	\$96,372
Superintendent Salary	\$189,808	\$212,818
<b>Average Principal Salaries:</b>		
Elementary School	\$126,786	\$122,364
<b>Percentage of Budget:</b>		
Teacher Salaries	33%	38%
Administrative Salaries	4%	5%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

### Expenditures Per Student

For the 2015-16 school year, Santa Maria-Bonita School District spent an average of \$10,269 of total general funds to educate each student (based on 2015-16 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Santa Maria-Bonita School District receives state and federal categorical funding for special programs. For the 2015-16 school year, the district received categorical, special education, and support programs funds for:

- After School Education & Safety (ASES)
- California Clean Energy Jobs Act
- Education Protection Account
- Lottery: Instructional Materials
- Medi-Cal Billing Option
- Other ARRA Programs
- Other Local: Locally defined
- Special Education
- State Lottery
- STRS On-Behalf Pension Contributions
- Teacher Recruitment/Incentives
- Title X, McKinney-Vento Homeless Assistance
- Title I
- Title II
- Title III

Expenditures Per Pupil and School Site Teacher Salaries 2015-16					
	Dollars Spent per Student				
	TES	SMBSD	% Diff. School & Dist.	State Avg., Dist. Same Size & Type	% Diff. School & State
Restricted	\$1,432	N/A	N/A	N/A	N/A
Unrestricted	\$5,202	\$8,865	58.68	\$6,574	79.12
Average Teacher Salary	\$85,258	\$82,310	103.58	\$78,363	108.80

Note: Cells with N/A values do not require data.

### SARC Data

#### DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Taylor Elementary School and comparisons of the school to the district, the county, and the state. DataQuest provides reports for school accountability, including but not limited to, CAASPP results, Physical Fitness results, Suspensions and Expulsions, Dropout & Graduation Rates, enrollment, and staffing statistics.
