Principal's Message

I invite you to explore El Camino Junior High School's Annual School Accountability Report Card, which provides valuable information about our school's instructional programs, academic achievement, classroom materials, school safety, facilities, and staff. Understanding our educational program, student achievement, and curriculum development can assist both our school and the community in ongoing program improvement.

El Camino Junior High School is focused on providing all students with the opportunity to achieve. Students receive standards-based, challenging curriculum from a dedicated professional staff and based on the individual needs of the students. Ongoing evaluation of student progress and achievement help us refine the instructional program to support all students in achieving academic proficiency.

Staff and parents work together to create a learning environment that promotes academic and social development, teaches responsibility and pride, and models learning as a lifelong adventure. We are excited about our 81st school year and know that together, through our efforts, El Camino's students will be challenged to reach their maximum potential.

Mission Statement

El Camino is an educational community that encourages students to achieve their potential by building self-confidence, responsibility, and honesty in a caring, respectful environment.

School Profile

El Camino Junior High School is located in the central region of Santa Maria and serves students in grades seven through eight following a traditional calendar. At the beginning of the 2012-13 school year, 682 students were enrolled, including 7% in special education, 67% qualifying for English Language Learner support, and 97% qualifying for free or reduced price lunch. El Camino Junior High School achieved a 2013 Academic Performance Index (API) score of 693.

Student Enrollment by Ethnicity / Grade Level 2012-13			
Ethnic Group	%	Grade Level	#
African-Amer.	0.70%	Grade 7	354
Amer. Indian or Alaskan Native	0.10%	Grade 8	328
Asian	0.10%		
Filipino	2.10%		
Hisp. or Latino	96.00%		
Pacific Islander	0.00%		
Caucasian	0.70%		
Multi-Racial	0.10%		
Total Enrollment			682

Student Achievement

Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at star.cde.ca.gov. Program information regarding the STAR program can be found in the Explaining 2013 STAR Program Summary Results to the Public guide at star.cde.ca.gov/star2013/aboutSTAR.aspx.

STAR Results - All Students Percentage of Students Scoring at Proficient & Advanced Levels									
	El Camino Junior High School			District			California		
	10-11	11-12	12-13	10-11	11-12	12-13	10-11	11-12	12-13
Language Arts	35	37	36	37	38	36	54	56	55
Math	39	36	35	50	49	50	50	50	50

Social Science	29	23	30	16	3	23		22

Physical Fitness

In the spring of each year, El Camino Junior High School is required by the state to administer a physical fitness test to all students in grade seven. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart provided in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2012-13			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Seventh	16.8%	17.6%	17.3%

Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

Growth Targets: For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

Statewide Rank: All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2010	2011	2012
Statewide Rank	2	2	1
Similar Schools Rank	7	8	6

Results generated from 2010, 2011, and 2012 Base API Reports

Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2012-13 AYP cycle, elementary and middle schools must achieve a 89.2% or higher proficiency rate in all subgroup populations for English/Language Arts and 89.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 770 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website www.cde.ca.gov/nclb/ and the U.S. Department of Education's website www.ed.gov/nclb/accountability/.

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2012-13		
<i>Did the school and district meet or exceed 2013 AYP performance criteria in each of the areas listed below?</i>		
AYP Indicator	ECJHS	SMBSD
Overall Results	No	No
<i>Participation Rate</i>		
Language Arts	Yes	Yes
Math	Yes	Yes
<i>Percent Proficient</i>		
Language Arts	No	No
Math	No	No
API Score	No	No
Graduation Rate	N/A	N/A

Reported data based upon performance of all subgroups for each of the areas listed

No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2012-13, El Camino Junior High School qualified for Schoolwide Title I funding and is subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website cde.ca.gov/ta/ac/ti/.

Title I Program Improvement (PI) Status

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through ConnectEd (automated telephone message delivery system), parent conferences, the school marquee, school newsletters, the school website, and student agenda books. Contact Ann D'Angelo-Orton, Principal, at (805) 361-7800 for more information on how to become involved in your child's learning environment.

Opportunities to Volunteer

- School Site Council
- Uniform Committee

School Activities

- Back to School Night
- Open House
- Awards Assemblies
- Career Days
- Health Fair

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. El Camino Junior High School's original facilities were built in 1931; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Installation of campus-wide wireless network (2013-14)
- Installation of a new telephone system (2013-14)
- Update elevator in two-story building (2013-14)

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to El Camino Junior High School. The day custodian is responsible for:

- Cafeteria setup/cleanup
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description

Deferred Maintenance

El Camino Junior High School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2012-13 school year, El Camino Junior High School received a portion of \$560,810 in deferred maintenance funds for the repair and/or maintenance of:

- Roofing
- Electrical Systems
- Floor Systems

Facilities Inspection

The district's maintenance department inspects El Camino Junior High School on an annual basis in accordance with Education Code §17592.72(c)(1). El Camino Junior High School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, September 04, 2013. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2012-13, all restrooms were fully functional and available for student use.

School Facility Good Repair Status

Rating Description

Exemplary: The school meets most or all standards of good repair. Deficiencies noted, if any, are not significant and/or impact a very small area of the school.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators, teachers, and staff members patrol the campus, entrance areas, and designated common areas. Noon duty aides monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, administrators, teachers, and staff members monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner. To enhance two-way routine communication and facilitate an immediate response to urgent situations, the principal, assistant principal, custodian, office staff, teachers, yard duty supervisors, and school resource officer carry hand-held radios while on campus.

El Camino Junior High School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for El Camino Junior High School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed and updated by school staff in May 2013. Staff responsibilities and safety plan updates were discussed with staff in August 2013.

Classroom Environment

Discipline & Climate for Learning

El Camino Junior High School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline is employed in the classroom for those students experiencing difficulty following school rules, and proactive measures for those demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	ECJHS		
	10-11	11-12	12-13
Suspensions (#)	122	139	159
Suspensions (%)	18.89 %	20.72 %	23.31 %
Expulsions (#)	0	1	1
Expulsions (%)	0.00 %	0.15 %	0.15 %
SMBSD Middle Schools			
Suspensions (#)	661	592	659
Suspensions (%)	23.60 %	20.63 %	22.40 %
Expulsions (#)	2	3	4
Expulsions (%)	0.07 %	0.10 %	0.14 %

This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for 2 days and then suspended a month later for three days is counted as two cases of suspension.

Teaching Load

The Teaching Load Distribution table in this report illustrates the distribution of class sizes by subject area, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students. Calculations exclude classrooms of 50 or more students.

Teaching Load Distribution Departmentalized Instruction

Social Science	29.0	1	6	4

Curriculum & Instruction

Staff Development

All training and curriculum development activities at El Camino Junior High School revolve around the California State Content Standards and Frameworks. During the 2012-13 school year, El Camino Junior High School held staff development devoted to:

- Common Core State Standards
- English Language Learner Instructional Strategies
- National Geographic Inside Training

- National Science Conference
- National Mathematics Conference
- AVID Conference
- Developing School Leadership

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. El Camino Junior High School supports ongoing professional growth throughout the year on early release days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2012-13 school year, El Camino Junior High School's teachers attended the following events hosted by the Santa Maria-Bonita School District:

- Treasures ELA Training
- Inside Training
- ELA Benchmark & Advanced Learners
- Technology Training
- OARS Training

El Camino Junior High School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Staff Development Days Three-Year Trend		
2010-11	2011-12	2012-13
1	1	1

Instructional Materials

All textbooks used in the core curriculum at El Camino Junior High School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, September 11, 2013, the Santa Maria-Bonita School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution 13-04 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2013-14 school year, Santa Maria-Bonita School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Textbooks			Pupils Lacking Textbooks
Adoption Year	Publisher & Series		
History-Social Science			
2006	McDougal Littell, <i>Creating America</i>		0 %
2006	McDougal Littell, <i>Medieval & Early Modern Times</i>		0 %
Language Arts			
2010	Glencoe/McGraw-Hill, <i>California Treasures</i>		0 %
Math			
2009	CPM Educational Program, <i>Algebra Connections</i>		0 %
2009	Holt, <i>Pre-Algebra</i>		0 %
2009	McDougal Littell, <i>Algebra Readiness</i>		0 %
Science			
2008	Prentice Hall, <i>Focus on Life Science, Focus on Physical Science</i>		0 %

The textbooks and instructional materials used by the school are the most recently SBE adopted instructional materials.

Specialized Instruction

All curriculum and instruction is aligned to the California State Content Standards and Frameworks approved by the State Board of Education. The instructional program is structured so that all students receive instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

Students with special gifts and talents need more challenging curriculum and instruction. The Gifted and Talented Education (GATE) program is offered to students in grades 7 through 8 who have been identified as academically gifted through district-administered assessments. Students are placed in honors classes. Instruction is provided by teachers who are GATE Trained.

For students whose primary language is not English and who have limited English proficiency, El Camino Junior High School offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. Teachers use differentiated instruction and SDAIE (Specially-Designed Academic Instruction in English) strategies to maximize student understanding of lesson content and concepts. English learners may be placed in an ELD (English Language Development) class in lieu of an elective and as a supplement to their core language arts class. ELD lessons focus on developing listening, speaking, reading, and writing skills as quickly as possible, enabling students to successfully participate in the regular education program. Some students receive English Language Development instruction as a supplement to their regular language arts instruction. ELD instruction is provided in the classroom by the teacher with targeted bilingual aide support. El Camino Junior High School's teachers utilize the Inside Language series series, a state-approved reading intervention program and textbook adoption. English learners are assessed annually using the CELDT exam (California English Language Development Test); results are used to evaluate student progress, intervention programs, and teaching strategies.

El Camino Junior High School's special education program is staffed by two full time and one part time resource specialist program teachers, four resource specialist aides, a speech therapist, and an adaptive physical education specialist. Instruction is provided in the least restrictive environment and based on each student's Individual Education Plan (IEP). Students have access to a comprehensive curriculum and are mainstreamed into the general education class with small group and individualized instruction in the resource room. The IEP team meets annually to establish goals and objectives, define academic instruction, evaluate the effectiveness of the student's plan, and make instructional adjustments as necessary. El Camino Junior High School takes advantage of the district's participation in the Santa Barbara Special Education Local Plan Area, which provides a pool of professional resources and expertise in the field of special education.

El Camino Junior High School provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using STAR test results, district benchmark assessments, and end-of-unit exams, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Study Team pulls together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance. Intervention strategies include:

- ASES (After School Education & Safety)
- Saturday School
- Battle of the Books
- Intervention Class
- Drop-In Tutoring

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on district benchmark assessments, daily classwork, homework, and end-of-unit tests to measure ongoing academic progress and adjust instructional needs.

Professional Staff

Counseling & Support Staff

El Camino Junior High School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to El Camino Junior High School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2012-13		
	No. of Staff	FTE
Counselor	2	2.0
Computer Lab Technician	1	1.0
Dean of Students	1	1.0
Health Assistant	1	0.5
Library Media Technician	1	1.0
Nurse	1	0.2
Psychologist	1	0.2
Speech Therapist	1	0.2

Counselor-to-Student Ratio: 1:341
FTE = Full-Time Equivalent

Teacher Assignment

During the 2012-13 school year, El Camino Junior High School had 31 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

Percentage of Core Classes 2012-13		
	Taught by NCLB-Compliant Teachers	Taught by non-NCLB-Compliant Teachers
El Camino Junior High School	100.0 %	0.0 %
District Totals		
All Schools	100.0 %	0.0 %
High-Poverty	100.0 %	0.0 %
Low-Poverty	0.0 %	0.0 %

District Expenditures

Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2011-12 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2011-12		
	SMBSD	State Average of Districts in Same Category
Beginning Teacher Salary	\$44,008	\$41,451
Mid-Range Teacher Salary	\$70,424	\$67,655
Highest Teacher Salary	\$87,893	\$85,989
Superintendent Salary	\$171,715	\$182,548
Average Principal Salaries:		
Middle School	\$112,398	\$111,643
Percentage of General Fund Expenditures for:		
Teacher Salaries	4300%	4200%
Administrative Salaries	500%	500%

Expenditures Per Student

For the 2011-12 school year, Santa Maria-Bonita School District spent an average of \$7,278 of total general funds to educate each student (based on 2011-12 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at cde.ca.gov/ds/fd/ec/ and cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Santa Maria-Bonita School District receives state and federal categorical funding for special programs. For the 2011-12 school year, the district received categorical, special education, and support programs funds for:

- After School Learning & Safe Neighborhood Partnerships
- Class Size Reduction, Grades K-3 (optional)
- Economic Impact Aid (EIA)
- Lottery: Instructional Materials
- Quality Education Investment Act
- Special Education
- State Lottery
- Title I
- Title II
- Title III
- Title V
- Transportation
- Transportation: Special Education
- Other Local: Locally defined
- Education Jobs Fund
- Medi-Cal Billing Option
